BRIDGE FUND-RAISING EVENT A BIG SUCCESS

LOCAL BUSINESSES RAISE FUNDS FOR HISTORIC BRIDGE

Three Forks Bakery and Brewery and Wheyward Girl Creamery, both of Nevada City, sponsored an event to raise funds for the Save Our Bridge Campaign, whose sole purpose is to restore the historic Bridgeport Covered Bridge and to celebrate the anticipated re-opening of the Bridge to the public next year. Three Forks hosted the sold-out event on Tuesday evening, May 21st when the Brewery is typically closed to the public. A gathering of donors enjoyed a very intimate beer and cheese pairing with Three Forks Brew Master David Cowie introducing each brew, explaining why it paired nicely with the selected cheese. Wheyward Girl owner Barbara Jenness gave the story behind each of the paired cheeses. Each pairing was most delectable and everyone enjoyed learning about each of the beers exclusively brewed by Three Forks and the Wheyward Girl's gourmet cheeses from around the world. The funds raised from this event will go towards the Grand Re-Opening Celebrations being planned when the Bridge restoration is complete in 2020. The Save Our Bridge Campaign Committee wishes to thank **Three Forks Bakery and Brewery** and **Wheyward Girl Creamery** for their generosity in sponsoring this event.

Doug Moon, Chair of Save Our Bridge Campaign, welcomes donors to event

Assemblyman Brian Dahle, along with the other donors enjoy the pairing
